Dear Valued Customer

I recently wrote to you about my forthcoming retirement and the closure of ACT Stockport Limited after 27 years of business trading. I also said that I would provide an alternative source of supply, where you might be able to purchase a similar product to our ACT 41 aluminium track within the window treatments market.

Well I am delighted to inform you that Decorquip Limited a prominent trade supplier of made-to-measure interior shading, components and fabrics in the UK, with a strong reputation for quality and service over the last 25 years will be selling our ACT 41 aluminium track system from 1st January 2024

Decorquip Limited will acquire all existing ACT aluminium stock of both track and components, and all our customer and supplier records, all brand names, all dies and bending equipment, so that the quality can be remain in place which is something I have thrived to achieve over the last 27 years

All our existing customers shall be able to continue to purchase our ACT41 quality hand drawn aluminium curtain track system, plus a few other track systems namely ACT43 + ACT50.

Thank you for being a valued customer, I believe you shall find Decorquip Ltd a worthy new supplier for our quality hand drawn aluminium curtain track systems.

Should you have any questions regarding this transition, please do not hesitate to contact myself [m.reed@actstockport.co.uk](mailto:m.reed@actstockport.co.uk) (0161 442 0766) OR [info@decorquip.com](mailto:info@decorquip.com) (02920 880 811)

Best Regards,

Martin Reed  
Managing Director
