We are writing to share some exciting news regarding F R Street Ltd. and Decorquip Ltd.

As you may know, Decorquip is a prominent trade supplier of made-to-measure interior shading, components and fabrics in the UK. Our commitment to quality, service, and our strong reputation in the industry has been our driving force for 25 years.

We are pleased to announce that Decorquip has acquired Streets, another well-respected independent business in our market. This acquisition represents a strategic decision to enhance and expand our wholesale offerings. We believe this will allow us to serve you even better by combining the strengths of both companies.

What does this mean for you?

First and foremost, please rest assured that our commitment to providing you with outstanding products and service remains unwavering. We understand the importance of the relationships you have built with Streets, and we want to make this transition as seamless as possible for you.

For now, very little will change in your day-to-day interactions with Streets. You can continue to place orders, make inquiries, and seek assistance from the dedicated Streets team as you always have. The familiar faces and voices you know will still be around to help you.

You will continue to receive invoices from F R Street but they will now ask that payment is made to Decorquip.

Account Name: Decorquip Ltd | Account No: 0380 8798 | Sort Code: 30-90-91

We ask that you update your records accordingly and use this new account for all future transactions. However, payments made to the old account will still be accepted for the time being. We will notify you when this ceases to be the case.

What's next?

We are excited about the opportunities this acquisition brings. As a larger business, we are well-positioned to support Streets and help improve quality and service for all our customers. We are already working diligently behind the scenes to enhance our collective offerings. 2024 promises to be a big year for everyone and we'll be there to support you from the get-go. As things develop here, we promise to keep you informed.

Should you have any questions or need assistance with anything related to this transition, please do not hesitate to contact us at info@decorquip.com or 02920 880 811.

Thank you for being a valued customer. We look forward to continuing Streets' legacy – earning your trust every day and supporting you in growing your business.

Warm regards,

Richard Ford
