Dear Customer

After seventy nine years and three generations of the Streets family stewardship, I am very happy to inform you that F R Street Ltd. will continue its journey within the Soft Furnishing Industry under the NEW ownership of Decorquip Ltd.

Decorquip have been suppliers to Streets for the past 10 years in which time we have got to know the various members of the Ford family, who with their colleagues operate their hugely successful blind supply company from South Wales.

During our search for a suitable new owner, we were earnestly looking for a company with the same family principles, who major on Service and Quality above all else. In Decorquip we have found that company and we endorse them as the new owners of Streets without hesitation. We hope that you will give them your continued support and are able to make use of their wide and innovative range of blind products

Decorquip are well known manufacturers and suppliers of all types of blinds, and blind accessories. Their Roman Blind Headrail System has been a best selling and faultless product of Streets over many years and we truly believe their blind breakaway system is the best on the market. They will be stocking and supplying all of Streets longstanding and proven core products including our comprehensive range of curtain linings, interlining and workroom sundries.

Whilst the sale is now complete Streets will continue to run the company on behalf of Decorquip over the next few months with a planned physical handover expected early in the new year. During that time I and my fellow colleagues will do all we can to contact and support as many customers as possible throughout the migration period. Please feel free to call us on **01268 766677** or by email **sales@streets.co.uk** with any questions you may have.

The Directors and employees of Streets take this opportunity to thank you, our customers, for your loyalty and support over the past 79 years and wish you all the very best for the future, in the knowledge that we leave you in very capable hands.

With kind regards
